TOMCAT®

KID and DOG Resistant Station

FIRST AID	
IF SWALLOWED:	<ul style="list-style-type: none"> Call a poison control center, doctor, or 1-877-465-5161 immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor.
IF ON SKIN:	<ul style="list-style-type: none"> Wash with plenty of soap and water.
HAVE LABEL WITH YOU WHEN OBTAINING TREATMENT ADVICE	
TREATMENT FOR PET POISONING	
If an animal eats this bait, call a veterinarian at once.	
NOTE TO PHYSICIAN OR VETERINARIAN	
Contains the nerve poison bromethalin. This product is not an anticoagulant type rodenticide. For humans or animals ingesting bait and/or showing poisoning signs (such as muscle tremors, loss of hind limb use, or seizures for animals), limit absorption by either emesis or gastric lavage. Sublethal symptoms, if present, would be the result of cerebral edema and should be treated accordingly through administration of an osmotic diuretic and corticosteroid.	

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

CAUTION: Bait contents harmful if swallowed. Keep away from children, domestic animals and pets. Any person who retrieves carcasses or unused bait following application of this product must wear gloves.

USER SAFETY REQUIREMENTS: As soon as possible, wash hands thoroughly after applying bait and before eating, drinking, chewing gum, using tobacco, or using the toilet.

ENVIRONMENTAL HAZARDS

This product is extremely toxic to fish, birds and other wildlife. Dogs and scavenging mammals and birds might be poisoned if they feed upon animals that have eaten this bait. Do not apply this product directly to water.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

READ THIS LABEL: Read this entire label and follow all use directions and use precautions. Use only for the sites, pests and application methods described on this label.

USE RESTRICTIONS:

This bait station may be used in areas accessible to children and pets, consistent with all use restrictions and other requirements indicated on this label. Do not apply further than 50 feet from home or building.

For control only of house mice. This bait station must be used in and around buildings consistent with all use restrictions and other requirements indicated on this label. Do not place this bait station in any area where there is a possibility of contaminating food or surfaces that come into direct contact with food.

SELECTION OF TREATMENT AREAS: Determine areas where house mice will most likely find and consume the bait. Generally, these areas are beside burrows, along walls, by gnawed openings, in corners and concealed places.

APPLICATION DIRECTIONS:

Place the bait station at point of highest activity beside burrows, along a wall, or in corners where signs of house mice have been seen. If additional units are to be used, place bait at 8- to 12-foot intervals. Maintain an uninterrupted supply of fresh bait for at least 15 days or until there no longer are fresh signs of house mouse activity in infested areas. To monitor for replacement, view bait via see-through lid. While wearing gloves, remove bait station if bait has been consumed or contaminated. Replace station with a new one if house mouse activity continues at that location.

Follow-up: Wearing gloves, collect and properly dispose of emptied bait stations or carcasses. Carcasses should be placed in an outdoor garbage can. To discourage re-infestation, eliminate food, water and harborage as much as possible. If re-infestation does occur, repeat treatment.

STORAGE AND DISPOSAL

Pesticide Storage: Store only in original container in a cool, dry place inaccessible to children and pets.

Pesticide Disposal and Container Handling: Nonrefillable Container. Do not reuse or refill container except as described in the Directions For Use.

If Empty: Place in trash or offer for recycling if available.

If Partly Filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

Notice: To the extent consistent with applicable law, buyer assumes all risks of use, storage or handling of this product not in accordance with directions.
