RODENT REPELLENT

Ready-to-Use

Inside & Outside Rodent Prevention

- Prevents rodent entry, nesting & foraging
- Tested and proven to work. Easy application to keep rodents away
- Essential oils deliver a smell and taste that rats and mice naturally hate
- No stink formula that is long lasting and rain resistant

Directions For Use:

- Shake container well before using. Product is ready to use and does not need to be mixed or diluted.
- While the formula is non-staining on most surfaces, spray a small, inconspicuous area to determine effects prior to full scale application. Do not use on light colored upholstery.
- Spray potential entry points around your home which could include around doors & windows, pipes, cracks & crevices, and vents.
- Repeat application every 30 days. More frequent application may be required after periods of heavy rainfall and if more damage or rodent activity is noticed.

Use Precautions

This product can be applied as long as spray head and liquid are not frozen. If product freezes, return to room temperature and use according to directions. Do not spray electrical wires and sockets directly. Not for use on car engine. Before use, test a small area of sensitive surfaces for staining before making a widescale application. Wipe away any excess product on surfaces.

STORAGE & DISPOSAL

STORAGE: Store in original container, in a cool, dry area. Keep container tightly closed.

DISPOSAL: When container is empty, place in trash or offer for recycling if available.

CAUTION: Always use good safety practices when using this product, such as avoiding contact with eyes and skin and keeping out of reach of children and pets. If eye or skin contact occurs, flush thoroughly with water. For medical information call 1-877-332-0755.

Tomcat Brands Guarantee: If for any reason you, the consumer, are not satisfied with this product, mail us your original proof of purchase to obtain a full refund of your purchase price.
